1st Graded Card Grading Submission Instructions

Grading prices (sports)

5 or more cards	\$12 each
Grading prices (Pokemon)	
1-4 cards	\$20 each
5 or more cards	\$15 each

We maintain the highest standards of integrity and authenticity. CUSTOM CARDS, REPRINTS OR OTHER FAKE CARDS will not be graded and you will be charged \$5 for each of this type of card you submit. They will be returned to you ungraded and not encased. We will not tolerate the submission of anything other than authentic cards. This policy is effective immediately for any submission postmarked after March 19, 2021.

1st Graded's policy is to not grade cards lower than an 8. We do this because cards graded at this level are far less valuable and the assignment of a grade does not add significant value to card.

If we determine that any authentic card you send us does not meet the standard of an 8, 9, or 10, we will contact you to determine whether you would like the card returned to you as is or if you would like the card labeled and encapsulated for a fee of \$10.

Submission Instructions

Place each card in a protective flexible pouch (Ex. Card Saver). The flexible pouch you choose must be sturdy enough to allow us to remove the item safely. For the protection of your items, you may want to insert your cards into a soft card sleeve or poly sleeve before inserting into the Card Saver.

Pack in a sturdy cardboard box. We recommend a US Post Office Priority Mail box. Protect the items with packing material such as bubble wrap or other shipping/packing material. Make sure that they are not packed too tightly. This may cause damage if mishandled. Use packing tape to completely seal the outside of the box.

BE SURE TO PLACE THE SUBMISSION FORM INSIDE THE BOX PRIOR TO MAILING.

We recommend that you consider purchasing insurance on your package. USPS can assist you with purchasing insurance.
